Peninsula College LMC Reserve Collection

The Reserve Collection is located in the Library Media Center behind the circulation counter. It consists of books, pamphlets, periodicals and media which instructors wish to make available on a limited basis to students. Materials are usually checked out for a period of 2 hours, 1 day, 3 days or 1 week.

Faculty are encouraged to use the Reserve Collection for high demand resources. Materials belonging either to the LMC or to the instructor may be placed on reserve for student use. Please complete a reserve request form and provide it with the material to be reserved. Forms are available online or at the circulation counter and should be returned to Sharon Baron (Ext. 6282).
